

# Activating an Autodesk Educational License for Eagle

1. Go to <https://www.autodesk.com/education/edu-software/overview>
2. Click the “Get Started” button.

The screenshot shows the Autodesk Education page. At the top, there is a navigation bar with the Autodesk logo, 'FREE TRIALS', 'PRODUCTS', a search bar, 'SIGN IN', 'UNITED STATES', and a 'MENU' icon. Below this is a secondary navigation bar with links for 'EDUCATION', 'Get Products', 'Learn & teach', 'Competitions & events', 'Prepare & excel', 'Support', and 'About Autodesk Education'. A blue banner below the navigation bar contains the text 'Autodesk product options for remote learning. Learn more.' The main content area features the heading 'Unlock educational access to Autodesk products' and a sub-heading 'Students and educators can get free one-year educational access to Autodesk products and services, renewable as long as you remain eligible. Confirm your eligibility now.' Below this text is a blue button labeled 'GET STARTED' with a right-pointing arrow, which is circled in red. To the right of the button is a video icon and the text 'How it works (3:08 min.)'. Below the button is the text 'Already have educational access? [Sign in](#)'. At the bottom of the main content area, there is a link: 'Not a student or educator? Explore our free trials'.

3. If you already have an Autodesk account, sign into it and skip to step 7. Otherwise, click “Create Account”

The screenshot shows the Autodesk sign-in form. At the top, there is the text 'Sign in' and the Autodesk logo. Below this is the label 'Email' and a text input field containing the placeholder text 'name@example.com'. Below the input field is a large blue button labeled 'NEXT'. At the bottom of the form, there is the text 'NEW TO AUTODESK?' followed by a link 'CREATE ACCOUNT' which is circled in red.

4. Fill out the form with your information.

## Get education benefits

Autodesk offers free software to eligible students, educators and institutions. Be prepared to provide proof of enrolment or employment at a **Qualified Educational Institution**.

Country, Territory, or Region of educational institution

Educational role

[WHAT'S THIS ?](#)

Institution Type

Date of Birth

ALREADY HAVE AN ACCOUNT? [SIGN IN](#)

5. Fill out the next form with your information, you can use your PCC email address or your personal email address.

## Create account

First name	Last name
------------	-----------

- I agree to the [Autodesk Terms of Use](#) and to the use of my personal information in accordance with the [Privacy Statement](#) (including cross-border transfers as described in the statement).

**CREATE ACCOUNT**

ALREADY HAVE AN ACCOUNT? [SIGN IN](#)

6. Check your email for a verification email from Autodesk and click “Verify Email”. You might need to login before continuing.

*Your account for everything Autodesk*

---

Hi,

Please complete your Autodesk account ( ) by confirming your email address.

**VERIFY EMAIL**

If the link above doesn't work, copy and paste this URL in your browser:

[https://accounts.autodesk.com:443/user/verifyemail/  
?uicode=education](https://accounts.autodesk.com:443/user/verifyemail/?uicode=education)

- Fill out the form with the following information. The dates that you put in might be different, they do not need to be perfect so if you do not know just put the start of the semester as the start and the graduation at the end of the semester.

## Just one more step

Tell us about your educational institution and how you plan to use your free software.

Name of educational institution

Pasadena City College (Pasadena, CA)

Area of study

- Architecture, Engineering & Construction
- Media & Entertainment
- Product Design & Manufacturing
- Others

Enrolled from

August

2020

Graduate in

December

2020

- Once you hit next, you should be taken back to <https://www.autodesk.com/education/edu-software/overview>. Make sure it looks like the image below, if it does not, make sure you are still signed in. Click “Get Started”.

The screenshot shows the Autodesk Education page. At the top, there is a navigation bar with the Autodesk logo, 'FREE TRIALS', 'PRODUCTS', a search bar, 'UNITED STATES', and a 'MENU' icon. Below the navigation bar, there is a blue banner with the text 'Autodesk product options for remote learning. Learn more.' Below the banner, there is a dark grey section with the text 'Hi, [redacted]' and 'We still need to confirm your eligibility for educational access to Autodesk products. Learn more or click Get Started to begin the process.' A red circle highlights the 'GET STARTED' button with a right-pointing arrow.

9. Make sure all the information is correct and click “Verify”.

## Check your information below is correct and click Verify

All fields must be accurately completed to verify your eligibility to access Autodesk Education benefits. Thank you for helping us provide Autodesk tools for legitimate educational use around the globe.

**Free download**

PCB design software for everyone

Included with a Fusion 360 for personal use subscription, EAGLE free download is a limited version for hobbyists including 2 schematic sheets, 2 signal layers, and an 80cm<sup>2</sup> (12.4in<sup>2</sup>) board area.

Choose your operating system:

Windows

Mac

Linux

**DOWNLOAD**

+ System requirements

13. Once you finish downloading and installing Eagle, you will need to login to your account. Activating two factor authentication (2FA) is not required and you can skip it if you want.

14. Lastly, check that Eagle is using an educational license. It should display your license type in the top of the window. See the image below.
